ABSOLUTELY FLAWLESS

A few words on the superiority of,

TROPICAL

"I send you by parcels post a Dunlop Tyre which has had a record experience, having been in daily use on the back wheel of my bicycle since 1896, and done fully 15,000 "tropical" miles. The front tyre like Charley's Aunt, is still running and absolutely flawless, although fitted at the same time as the one now sent to you. I think this fact speaks volumes for the durability of your tyres."

MR. F. M. STAPLES,
Colombo, Ceylon.

In order to prevent fraud purchasers of these famous tyres should make a point of observing that the Company's trade mark is embossed on the outer cover and inner tube.

THE RIO NEWS.

This paper is now in its 24th year having originally been published as *The South American Mail* and *The British and American Mail*. It assumed its present title at the beginning of April, 1879, when it was published three times a month. From a tri-monthly it has been changed to a weekly publication, and from four pages it has been increased to twelve.

As an advertising medium *The News* occupies an exceptionally advantageous position. It circulates widely throughout Brazil, and also in Europe and the United States. Its subscribers are principally business men interested in Brazilian trade, industries and investments. No other periodical, even with much larger circulation, can offer better inducements to advertisers who seek the attention of these classes.

All communications should be addressed to the Editor and Publisher, Caixa do Correio, 255, Rio de Janeiro.
